

Client section

– a clever feature of our website.

A new feature that allows instant overview of your passes and their actual usage.

You can find a red button to the Client section in the upper right corner of our homepage.

The registration to the Client section is very simple:

- go to the Client section, Sign In dialogue appears. Choose the red link [Generate new one](#) on the bottom and you'll be taken to the **Generate new password** dialogue

A screenshot of the 'Sign In Client Section' dialog. It features two input fields: 'E-mail address' with an '@' symbol and 'Password'. A red arrow points from the 'Generate new one' link below to the 'Sign In' button. At the bottom, there are links for 'Generate new one' and 'About Client section'.

- write your e-mail address (it **must be the same** as the e-mail address we already have in your client's card)

A screenshot of the 'Generate new password' dialog. It shows a single input field for 'Your e-mail address' containing the text 'missis.dancer@mymail.com'. Below the field is a red button labeled 'Create a new password'.

- you receive automatically generated password for this e-mail
- after the first login to the Client section with the new password you can easily change it to any other password you wish and remember (link [Change password](#) on the bottom)
- if you forget the password you can generate a new one the same way as for the first time (via sending the new password to your e-mail)
