

Not sure about your course choice?

If you don't know if the course, style, teacher or age group of your children will suit you, choose the **trial lesson option**.

Fill in your details in the online application form on the website and write **Trial lesson** in the **Other remark** communication box.

In the **Payment** section above the remark box, select the payment method for the trial lesson.

The trial lesson fee is

- CZK 240 for a 60-minute children's lesson
- CZK 260 for a 60-minute lesson
- CZK 280 for a 90-minute lesson (adults and/or children).

If you decide to purchase the course **immediately after the lesson**, the price of the trial lesson will be deducted from the total price of the course. The trial lesson is free of charge then. Later deduction of the trial lesson is not possible.

The trial lesson option only applies to **semestrial courses**, not to Open Class lessons. Here, individual entries are allowed as usual.

You can only use the trial lesson option **once for each course**. You cannot take the same course repeatedly on a trial basis. However, it is possible to try out multiple courses.
